

20<sup>th</sup> June 2022

Dear Anfield Parents,

On behalf of the School Board, I would like to thank you once again for so kindly sponsoring the Anfield Hearts Foundation. This year, our Anfield pupils raised HK\$ 31,366 during the World Environment Day to support the Hong Kong Committee on Children's Rights in the film production of a documentary about the child participation process in Hong Kong, which will be a very useful and valuable teaching resource for teachers and social workers in the future.

The Anfield Hearts Foundation was granted as a charitable institution by the Hong Kong Inland Revenue Department in September 2015. It was established to provide the Anfield School community with a link to both the Hong Kong and the International community, to support the work of charities and NGOs in Hong Kong, the region and worldwide.

The following is the financial summary of the Anfield Hearts Foundation for the school year 2021 – 2022:
